FUNCTION:

Creative work requires convenient and practical solutions. The desk from the Peekaboo collection has been designed for older children and adults. Doing homework and work is much easier, especially since all the necessary accessories can be stored in the ingenious compartments. Dedicated cable openings help keep things tidy. Interesting drawer solutions provide not only practical but also aesthetic value.

DESIGN:

The Peekaboo Collection designed by Kutikai is simple in form and has one distinctive feature - a hole which attracts children with its familiar shape and makes them want to explore what's on the other side or play peekaboo. Simple, safe, and practical, with a robust design, manufactured in a family carpenter shop in the south of Poland under strict designers' supervision.

The collection also stands out for its legs covered with natural veneer - modified oak which make it exceptionally light.
